Concurrent Enrollment Program for High School Students

Qualified high school students may enroll in university-level courses at TAMIU as a concurrent enrollment student. High school freshman and sophomore students must undergo an admissions reviewing process by the Concurrent Admissions Committee. Concurrent students may not enroll in more than two university-level courses each long semester or summer session.

Concurrent Admission to Texas A&M International University is only granted for the semester for which students apply. Students who do not enroll for the semester for which they are approved should contact the Office of Recruitment and School Relations before attempting to enroll for another semester. A Concurrent Authorization & Acknowledgement Statement Form and an updated high school transcript must be submitted each subsequent semester. Students must maintain a 2.0 or higher institutional grade point average based on a 4.0 scale in order to continue in the program.

Implementation of concurrent admissions policy is the responsibility of the Director of Recruitment and School Relations. The University Admissions Standards and Exceptions Committee must approve any exception to the admission policy.

1. **Application for Concurrent Admission.** This application must be submitted online at www.goapplytexas.org (<http://www.goapplytexas.org/>).

Students may contact the Office of Recruitment and School Relations for instructions on how to complete this application.

2. **Concurrent Authorization & Acknowledgement Statement Form.** Applicants must submit a Concurrent Authorization & Acknowledgement Statement Form with a parent signature.
3. **Official High School Transcript.** The official high school transcript must show student's most updated GPA, including all coursework completed. Official transcripts must be received in a sealed envelope or online by the high school or official transcript service provider
4. **Official College/University Transcript(s).** Any college/university transcripts other than TAMIU must be sent directly from each institution attended, if any college credit has been earned. A minimum overall grade point average of 2.0 is required.

All students must attempt all three sections of the Texas Success Initiative (TSI) Placement Exam (i.e. Mathematics, Reading, and Writing) before course registration at TAMIU. Applicants who neglect to meet the required TSI placement scores, will not be allowed to take the corresponding university-level courses. See Texas Success Initiative in the section entitled University College.

In addition, Texas law (Senate Bill 1107 and Senate Bill 62) requires that students* entering institutions of higher education either receive a vaccination against bacterial meningitis or meet certain criteria for declining such a vaccination at least 10 days prior to the first day of their first semester.

Testing Center

The Texas A&M International University's Testing Center is dedicated to supporting students, faculty, and the local community with academic and certification testing. The center includes labs for academic and certification exams, accommodations for students with disabilities (DSS) and proctoring services for the community. We offer a variety of academic tests, including those listed below. Online proctoring options are available for TAMIU students and non-students. Please visit our website at https://www.tamui.edu/testing_center/index.shtml (https://www.tamui.edu/testing_center/index.shtml/) for additional information.

1. Texas Assessment Initiative (TSI)

The Texas Success Initiative (TSI) is a statewide initiative created to improve student success in college-level coursework. As part of the program, all students enrolled in Texas public colleges or universities complete required assessments to determine math, and English/Language Arts reading proficiency. For students not meeting the proficiencies, developmental course instruction is provided to students needing to strengthen their basic academic skills through co-curricular courses.

Texas Success Initiative (TSI) College Readiness Scores and Exemptions:

Students who have scored at or above the test scores listed below are exempt. For further information, contact the Testing Center, ZSC room 201.

GED (General Education Development)

Credit by Examination

Advanced Placement Program (AP)

Examinations offered by the College Board Advanced Placement Program are administered during late spring by high schools. Students usually take the examinations after completing Advanced Placement courses although experience in an AP course is not required. Interested students should contact their high school counselors for information concerning registration and test sites. High school students and currently enrolled students should have the College Board forward their scores to the Office of the University Registrar. Advanced Placement scores of entering freshmen are generally received in late July. Students can receive credit only by Advanced Placement (AP) for the following courses with the scores indicated:

Credit Level Examination Program (CLEP)

Texas A&M International University allows students to receive a maximum of thirty-three (33) semester hours of credit by examination for specified freshman and sophomore level courses through CLEP. The University awards credit for scores on certain tests listed in the Catalog. Students must be officially admitted at Texas A&M International University to receive official credit with a grade of "CR." Students must select TAMIU as school recipient to receive credit to be posted on their TAMIU transcript. The Testing Center does not report official CLEP scores to the Office of the University Registrar for posting on transcripts; this is the students' responsibility.

Credit may be earned by achieving a sufficient score (as determined by the relevant academic department of TAMIU) on any of several exams and then submitting official score reports to the Registrar's office.

Sufficient scores on the following examinations may be applied for credit:

Academic Testing for Students with Disabilities

Testing for Students with Disabilities (DSS) is a service within TAMIU's Testing Center that provides academic testing services (course exams and quizzes) for students who are currently registered with and approved by the office of Disability Services for Students (DDS) to receive accommodations when testing. Some examples of testing accommodations provided by the Testing Center include extended time, reduced distraction environment, and use of a reader and/or scribe.

Note that before a student can sign up to take a test at the Testing Center via Accessible Information Management (AIM) (<https://kea.accessiblelearning.com/TAMIU/>), the need for testing accommodations must be approved by DDS, and only those accommodations designated by DDS will be provided. The Testing Center works closely with DDS to provide the most secure, up-to-date, and reduced-distraction testing environment possible to all students registered.

University Registrar Registration

Students who are officially admitted to the University may register for courses. A registration period is held prior to each academic semester and for each summer session. Registration periods and other important dates and deadlines that affect student course schedules are available in the online academic calendar. Students are encouraged to visit with academic and faculty advisors during the fall and spring semesters for degree and class schedule planning.

Pre-Registration for Current Students

Students who are currently enrolled or who have attended the University within the last two semesters are permitted to register in advance during the prior semester provided they are in good standing with the University. Registration dates are listed in the online academic calendar and are also announced on different communication platforms. Students are encouraged to become knowledgeable of the rules governing pre-registration, consult

their advisor prior to pre-registration, and understand the arrangements for payment of tuition and fees. Students receiving financial aid are encouraged to consult with the Office of Financial Aid prior to the pre-registration period to ensure proper processing of their financial aid (see the [Financial Aid \(https://catalog.tamiau.edu/student-services/student-financial-aid/\)](https://catalog.tamiau.edu/student-services/student-financial-aid/) section of the catalog for details).

Transfer Students and Students Re-Enrolling After One or More Years of Absence

Students who are transferring to the University or re-enrolling in the University after an absence of one year or more are permitted to register for classes if they have been admitted or readmitted. Students are encouraged to visit an advisor prior to registration.

Public Information Policy and Family Educational Rights and Privacy Act

TAMIU may, without the consent of the student, release information designated as directory information. Directory information is defined by the Family Educational Rights and Privacy Act (FERPA) as information contained in an education record that would not generally be considered harmful or an invasion of privacy if released. It includes, but is not limited to:

- Name
- Address (mailing, local, permanent)
- Telephone number(s)
- Date and place of birth
- Dates of attendance
- Enrollment status (full-time, part-time, undergraduate, graduate, etc.)
- Major and minor fields of study
- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Awards received (including types of award)
- Degree(s) received
- Most recent previous education institution attended
- Photograph
- Classification

Students who do not want their information to be released, are responsible for notifying the Office of the University Registrar in writing, or by completing the Request to Withhold Public Information Form (<https://www.tamiau.edu/registrar/documents/ferpa-request-to-withhold-public-information-updated-01312017.pdf>) (PDF) during the first week of class to ensure that information is not released by the university. Students are responsible for requesting the release of their information once a request for withholding public information has been placed on record.

FERPA affords eligible students certain rights concerning their education records. Under FERPA, an eligible student is a student who is 18 years of age or older or who attends a postsecondary institution at any age. These rights include:

1. The right to inspect and review the student's education records within 45 days after the day TAMIU receives a request for access. A student should submit to the Office of the University Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by

the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask TAMIU to amend a record should contact the University Registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed. If TAMIU decides not to amend the record as requested, TAMIU will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before TAMIU discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. TAMIU discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by TAMIU in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of TAMIU who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for TAMIU. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by TAMIU to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student —

- To other school officials, including teachers, within TAMIU whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as "directory information" under § 99.37. (§ 99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of § 99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§ 99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of § 99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§ 99.31(a)(14))

To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

While confidential information from the education records cannot be released to anyone but to the student it belongs to, the student may, at their discretion,

grant the University permission to release such information to a third party by completing and submitting the Student Information Release Authorization Form (<https://www.tamiu.edu/registrar/documents/Student%20Information%20Release%20Authorization.pdf>) to the Office of the University Registrar.

For information regarding the University's policy on access to records and to request accessibility to university records, contact the Office of University Registrar or visit tamiu.edu/registrar/ (<https://www.tamiu.edu/registrar/>).

Transcripts

The transcript is the official record of a student's academic performance at the University. Official transcripts printed on security paper and bearing the University seal are available from the Office of the University Registrar. Students must clear any restrictions from their record before any transcript request can be processed. A signed and completed Official Transcript Request Form (<https://www.tamiu.edu/registrar/documents/official-transcript-request-form.pdf>) may be submitted in person, by email, mail, or fax. In compliance with federal privacy laws, a student's written consent is required to release transcripts; therefore, transcript requests cannot be accepted by telephone.

Electronic Transcript

Electronic transcript requests are processed within the same day. Online orders for official electronic transcripts must be placed through the National Student Clearinghouse at getmytranscript.org (<http://www.getmytranscript.org>).

In Person

A transcript request form must be completed and signed by the student at the Office of the University Registrar. A valid picture ID must also be presented. The transcript will be issued at the time of request.

Permanent Record Card

If you are a former student that attended either Texas A&I University, Laredo State University, or attended before 1995, you may have a Permanent Record Card. Please complete and sign the Transcript Request Form (<https://www.tamiu.edu/registrar/documents/official-transcript-request-form.pdf>) and provide a valid picture ID to transcripts@tamiu.edu, by mail, or by fax.

By Mail, Fax, or Email

Students may request a transcript by submitting a Transcript Request Form (<https://www.tamiu.edu/registrar/documents/official-transcript-request-form.pdf>). Payment can be made via credit card, check, or money order payable to TAMIU. The request will be prepared within one to three working days. The request may be submitted via email to transcripts@tamiu.edu, fax 956.326.2249, or mail to the following address:

Veteran Records

Texas A&M International University has entered into the education and training programs administered by the Veterans Administration (VA). The University strives to meet the needs of veterans who want to take advantage of their eligibility for education and training as provided by Public Laws 16 and 346, 78th Congress; 550 and 894, 82nd Congress; and Public Law 89-358 for veterans of military service after January 3, 1955. Students receiving VA educational benefits must provide transcripts from all previously attended post-secondary schools, a copy of their DD-214, and records of military educational programs completed to the University for evaluation of potential transfer credit. Veterans

must register with the Veterans Coordinator in the Office of the University Registrar. The Veterans Coordinator will assist in processing all necessary related paperwork. For more information, visit [tamui.edu/veterans](https://www.tamui.edu/veterans) (<https://www.tamui.edu/veterans/index.shtml/>) or call 956.326.2254.

Commencement

This ceremony occurs at the end of the fall and spring semesters to honor those students who have successfully completed their degree programs. Only those students who have been verified by the Office of the University Registrar may participate in commencement. The fee for graduation is listed in the Additional Fees section of the catalog. For further information on this process, contact the Office of the University Registrar at 956.326.2250, via email at graduation@tamui.edu, or visit tamui.edu/commencement/.
